

Southern Society for Coatings Technology Annual Meeting

Hilton Daytona Beach, FL

September 26 – 29, 2010

TECHNICAL PROGRAM

Monday, Sept 27

- 8:30 – 9:30 am KEYNOTE ADDRESS – BASF, Thomas Sasse; “Understanding Value in the Chemicals Market”
- 9:45 – 10:15 am BYK Chemie, John Du; “Improving Surface Properties – Appearance and Performance”
- 10:15 – 10:45 am Nanophase Technologies, Dr. Roger Cayton; “Use of UV Absorptive Nanoparticles to Enable Transparent Outdoor Wood Protection”
- 10:45 – 11:15 am Bayer Material Sciences, Peg Kendi; “Solving the Formulator Dilemma of Resin Selection for Wood Coating Applications”

Tuesday, Sept 28

- 8:00 – 8:45 am CIEF, George Schmitz; “Review of the Coatings Industry Education Foundation”
- 8:45 – 9:15 am Cytec Industries, Dr. Mouchine Kanouni; “Waterborne UV Curable Coating – Bridging the Performance Gap”
- 9:30 – 10 am Angus Chemical, Esin Busche; “Fine Tuning VOC Compliant Coatings with Multifunctional Amino Alcohols”
- 10 – 10:30 am Alberdingk Boley, Laurie Morris; “Waterborne UV Curable Resins – Chemistries and Applications”
- 10:30 – 11 am Forbo Bonding Systems, Rick Caldwell; “Taking Semi-Gloss Coatings “Green” with New Vinyl Acetate Ethylene Latex”
- 11 – 11:30 am OM Group/Borcher Additives, Jennifer Hostetler; “A Novel Oxidative Catalyst for Alkyd Coatings”
- 11:30 – Noon Bayer Material Sciences, Michael Dvorchak; “UV Cure Coatings Technology; New Markets, New Oligomers and New Waterbased PUD’s”

Wednesday, Sept 29

- 8 – 8:30 am Huntsman Advanced Materials, Charles Uzoezie; “New Amine Hardener For Rapid Curing and Highly Chemical Resistant Coatings”
- 8:30 – 9 am Bayer Material Sciences, Pete Schmitt; “Waterborne Polyurethane Coatings used in Direct to Metal Applications”
- 9:15 – 9:45 am Heucotech Ltd, David White; “Zero VOC Colorants and the Challenges They Present”
- 9:45 – 10:15 am AGC, Bob Parker; “FEVE Fluoropolymer Emulsions for Performance Improvement in Exterior Architectural Coatings”
- 10:15 – 10:45 am Air Products, Jeanine Snyder; “A New, Environmentally Friendly Wetting Agent for Architectural Coatings”
- 11 – 11:30 am Evonik Colorants, Daniel Goldberg; “No-VOC Colorants with Improved Durability And Opacity”
- 11:30 – Noon Clariant, Romesh Kumar; “Ultra-fine Pigment Dispersions for Coloration of Wood Coatings”
